

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA

vs.

ABDIGAFAR HASSAN

NO. CR06-255 JLR

MINUTE ORDER

The following Minute Order is made by direction of the Court, the Honorable James L. Robart, U.S. District Judge:

This matter comes before the court upon defendants' motion to compel discovery of shipping records (Dkt 225). The motion seeks relief regarding two groups of documents.

The Government represents that it has produced all documents in the first group by the deadline requested in defendants' proposed order. As such, this portion of the motion is DENIED as moot.

The second group of documents is referred to as DEA Exhibit N-14. The Government represents it has located the exhibit and is producing it. As such, this portion of the motion is also DENIED as moot.

The court has given Defendants leave to file a motion for further relief, including exclusion of DEA Exhibit N-14 at trial, if they feel they can establish prejudice.

Nothing in the court's ruling should be taken as endorsing the Government's performance of its discovery obligations.
